

## GOOD WORKOUTS AT "BENNINGS"

Track in Excellent Condition and  
Outlook Fine for  
Monday.

### FATHER BILL'S FAST STRING

WASHINGTON, March 22.—The rain of a couple of days ago did the Benning track a deal of good, and this morning the going was highly satisfactory to trainers, who are bending every nerve to get their horses in readiness for next Monday's opening.

Among those who personally witnessed their horses move was Thomas Hitchcock, Jr., from Alken, S. C., whose string got in early in the week. With Charles Klorman and John Madden he inspected the cracks in the Madden-Hitchcock barn, and later had the pleasure of seeing Salvidore, Dandelion and Tangle breeze a mile and a furlong.

If "Father Bill" has not got a couple of good ones in his lot just in from Germany some pretty good judges will be mistaken. His older horses, Sallor Boy, Warning, Veronice and Umbrella, are the same every-day customers they always were that must not be overlooked in moderate company, especially in mud or slop.

The only horses Sallor Boy won last year—one here and two up North—were on a slow track, and each time Jockey Miller rode the horse. Umbrella is also a fair filly in sloppy going. And both of these campaigners look further advanced than most of the New York horses.

Four two-year-olds in the Daily lot, however, are the ones likely to keep the talent guessing during the next three weeks. They are Justine, Fair Annie, Wedding Day and Hartford Boy. The last named, bred at Patter's Piquet farm, in New Jersey, is said to be a youngster above the average.

Hartford Boy, by Royal Star—Jolie, on his good looks and his reported work up North, may be a good colt now; but just how long he will stand "Father Bill's" herculean training methods is quite another matter. If he can stand up under the drilling he is sure to get from Trainer Carter under the orders of the boss, he will perhaps prove a stake colt.

Wedding Day, a brown colt bred at H. T. Oxnard's farm, by Hawks-wick—Wedding, has shown nearly as good as Hartford Boy in their work. This youngster is also a good-looking and his breeder, as well as the local public, will take great interest in his future. Daily's other youngsters also look useful. He brought along a Plaudit two-year-old for Con Leigh-ton.

### Horses from New Orleans.

Thomas E. Mannix has also some good material in his lot from New Orleans. He brought in Sonoma Belle, Monmus, Cobino, Danlos, Jerry C. Vatterdog, Greville, Turbulence and Louise Taubin's Goldie and Consideration. Goldie is the horse purchased from Ed Carls, and was a good winner at New Orleans. He was trained for John W. Schorr a couple of years back.

Jockey J. Johnson came up with Mannix and other riders are arriving daily. Radtke looked over Goldie's horses and expects to win the silver mug in the first race of the opening day. Sir Wilfred is the horse he expects to ride.

James Blute has brought with him from California a promising lad with the Celtic name of Morlarly. He rode well on the Pacific coast, and can ride as low as 95 pounds. The death of the two-year-old colt Salvidore in this stable is much to be regretted, as the colt was very promising. This is the only horse to die at Benning this spring besides The Colonel.

Jockey H. Brown, a steeplechase jockey here, will ride for Adolph Drossler. He can ride at 135 pounds and has never ridden East before. Those who have seen his work West speak well of him.

Goldfinger, by Goldspinner—Rosell, has shown so well in his work here since he got from Los Angeles that he is looked on as a promising candidate for the Benning Handicap on the opening day.

## GAME SCHEDULE FOR PREP. LEAGUE

Is Only Tentative, as Quorum  
Was Not Present at Meeting  
on Yesterday.

### PLAY GAME NEXT FRIDAY

No business could be officially conducted at the meeting of the Preparatory School Athletic League yesterday, as the executive committee failed of a quorum. As representatives from all the schools were present, a schedule was made and will probably be adopted at a meeting to be held Monday afternoon at the Young Men's Christian Association. Several games between school teams and other amateur teams of the city were sanctioned by league officials. A game between High School and Christ Church boys, to be played Friday, was among them. Sanction of the league officials is necessary before a league team can play an outside team.

The following is the championship schedule which will in all probability stand for the 1907 baseball season:

Thursday, April 4—Academy vs. High School.

Friday, April 12—Academy vs. High School.

Tuesday, April 16—Academy vs. High School.

Friday, April 19—McGuire's vs. High School.

Tuesday, April 23—Academy vs. McGuire's.

Friday, April 26—McGuire's vs. High School.

Tuesday, April 30—McGuire's vs. High School.

Friday, May 3—Academy vs. High School.

Tuesday, May 7—Academy vs. McGuire's.

Friday, May 10—Academy vs. McGuire's.

Tuesday, May 14—Academy vs. McGuire's.
